Derek isn't really trying to make friends with his email approach, is he? Damn! Can he be a little community savvy for just the 2 minutes it takes to write an email?!?!?

Attached is the presentation by UCSC School of Environmental and Nuclear Policy at the

Bayview Hunters Point Environmental Justice Response Task Force meeting in April.

Dear Mr. Bradley/Mr. Hirsch,

I requested the UCSC presentation given at the April 21, 2016 Greenaction meeting, but have not received it. Please send me a copy.

Without a copy of this presentation, it is very difficult/impossible to respond to the allegations presented by UCSC to Greenaction and the community. I assume that everyone wants an informed discussion, which is also not possible without this information.

I recommend discontinuing further discussion of this topic until the presentation has been sent.
